Action... Adventure... Magic... Mystery... A hint of Romance... The power to rule the night... What more could a girl ask for. Red Riding is an action-packed paranormal novel with an exciting twist on the classic fairytale. This time Red will not only have to face dangerous wolves; she will have to face the wolf within herself. Gifted and cursed with the ability to transform into a powerful werewolf, she will rise to become a legendary warrior known as The Alpha Hunter... Red will join forces with bad-boy, Wolfgang Helheim, and a circle of her best friends who have mystical powers of their own. Together they will wage a supernatural war to protect Wayward from malevolent werewolves, witches and many other dangerous creatures, all the while resisting the temptation of stumbling down a path of darkness. Only through this can Red hope to save Wayward and the world from falling under the control of those who seek to bring chaos, thrust the world into eternal night, and allow malevolent werewolves to overrun the Earth.
